Dr. Eric Green is Director, Business Development and Member of the Investment Committee of Authentic Asset Management Inc., based in greater Boston. He also conducts macro-economic research.

Dr. Green has 30+ years of investment experience and is a Chartered Investment Manager.

Prior to joining AUTHENTIC in 2020, Dr. Green was Managing Partner at Open Door Trading in NYC, and a Managing Director, Chief US Economist & Global Head of Rates, Economics, FX & Commodity Research at TD Securities from 2010-2016.

Earlier in his career, Dr. Green was Chief US Market Economist at Countrywide Securities in California, held economist roles at BNP Paribas and the Federal Reserve Bank of New York, and was a member of the President's Working Group on Financial Markets at the US Treasury.

He is the author of Economic Security and High Technology Competition in an Age of Transition.

Dr. Green holds a PhD in International Finance & Economics from Tufts University, an MSc in Political Economy from the University of London, and a BA in History from Holy Cross College.
